

The MetLife Mobile App

MetLife

MetLife's mobile application is now available on the  iTunes® App Store and  Google Play! After downloading this app, customers can pay bills, file claims, view policies, find a dentist, and get a life insurance quote. The application is extremely easy to use and offers convenience in one place!

Policy Access

Auto and home insurance customers can check policy status, access their ID card, and view coverage information.

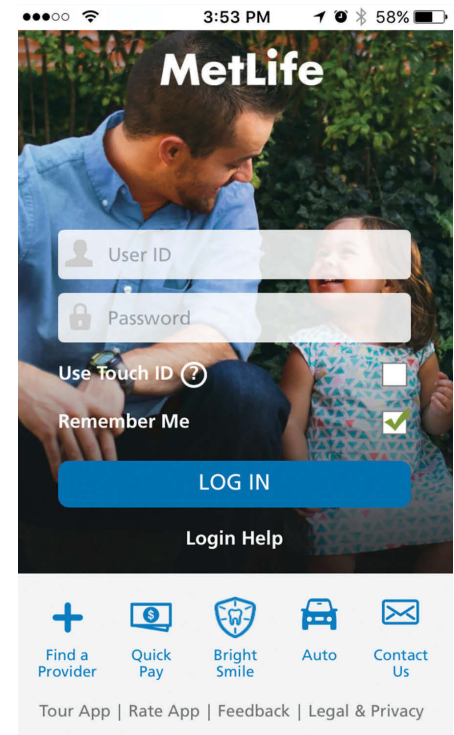

Bill Pay

Auto and home insurance customers can pay their bill with a credit card, debit card, or checking account.*

Auto Claim Filing

Auto insurance customers, including GrandProtect® and ComboSM customers, can:

- Submit a claim.
- Pre-fill the accident location, date, and time if filing a claim from the accident scene.
- Upload accident scene and vehicle damage photos to the claim department.
- Indicate areas of damage with an interactive vehicle icon.

For more policy, billing, and claim information, please go to our eSERVICE website <http://eservice.metlife.com>

* Use of credit/debit card is optional. The same insurance is available regardless of the method of payment. Payments may be made by cash, check, or by credit/debit card except in those cases where electronic payments are required.

1. The carriers represented in this communication operate independently and are not responsible for each others' financial obligations.
