

# A Unique Mix of Employer Services

Helping Employers Reduce Costs, Improve Employee Wellness, and Create Long-Term Health and Retirement Plan Stability

A highly-consultative approach focused on the specific priorities of each employer.

As the largest independent employment benefits agency in the Northwest, TPG is driven by an unyielding dedication to your success. Our team is armed with the kind of expertise only 35 years of experience can bring. We use our depth, breadth, and resources to enhance value, control costs, and take work off your plate instead of heaping it on.

## Bottom Line

We create strategies that put the needs of your organization and your people first. Our clients call this client-centered approach exceptional. We call it being a good partner.

## Who We Serve

As the Northwest's largest independent employee benefits firm, The Partners Group helps more than 500 companies design, manage and communicate the value of benefits to employees. While we work with employers in all industries, we also have extensive expertise serving hospitals, non-profits, medical clinics, and school districts.

### The Right Fit

We start by getting to know the unique needs and challenges of your business. Then we research the latest trends, explore the most innovative options, and collaborate with you to find the best option for both you and your employees. We don't disappear after you sign on the dotted line. We educate and empower employees to help them take charge of their well-being, deliver resources that add value and use data analytics to track cost trends and guide future plans.
