Wealth Management

Geneva comes to us with over 19 years of experience working in the financial services industry. As a key member of the Wealth Management team, Geneva brings the knowledge and experience needed to navigate the challenges our clients may encounter as they plan out their future.

Geneva is responsible for developing relationships with successful individuals, families, and business owners looking for a trusted financial partner by providing a broad array of wealth management products and services. Geneva truly enjoys building long-term relationships with her clients and has a reputation for her unique ability to put others at ease while helping them reach their goals.

Outside the office, Geneva stays busy volunteering with several non-profit organizations such as Associated General Contractors, Big Brother Big Sister and Jesuit High School. Her favorite hobbies, besides spending time with her three children and husband, are working out, reading, cooking and exploring what the NW has to offer... wine country is a great start!
