

ABSENCE NAVIGATOR

A TOTAL ABSENCE MANAGEMENT PRODUCT OF THE PARTNERS GROUP

Q Looking to improve your leave management processes, stay compliant, and save time and money?

A Absence Navigator is the answer to leave and absence management.

WHAT IS ABSENCE NAVIGATOR?

Absence Navigator gives you all the tools you need to manage leave of absence programs effectively while maintaining complex regulatory compliance rules imposed by federal and state leave laws.

Whether you need help working through a complex employee leave scenario, require a more effective leave tracking tool, want to create a stronger Manager Leave and ADA training program, or are interested in more information on any given leave or disability law, our absence experts are here to support you.

STRENGTHEN COMPLIANCE TODAY

Your purchase of Absence Navigator includes access to a bundle of six easy-to-use compliance strengthening and time-saving tools.

Leave Genius Pro Subscription

LOA + ADA Letters Suite & Workflows

Subject Matter Expert Consulting

FMLA & ADA Training for Managers

Regular Compliance Updates & Webinar Series

Complimentary One-Year DMEC Membership

See more details about each tool on back.

Want to hear more about Absence Navigator or our other absence management services? Contact our Total Absence Management team at tam@tpgrp.com.

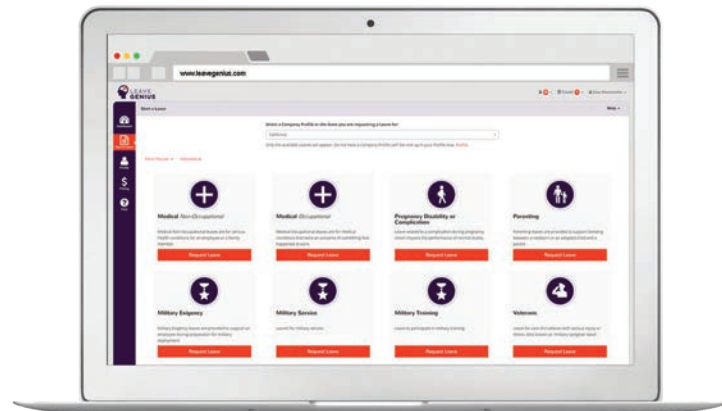

ABSENCE NAVIGATOR

A Total Absence Management Product of The Partners Group

Leave Genius Pro Subscription

Leave Genius Pro is an intuitive, cloud-based web application designed to help clients make the right decisions when faced with a leave request. It stays up to date with more than 500 federal, state, and local leave laws. The system will automatically determine which policies an employee is eligible for, generates all regulatory forms you need to send to the employee, and tracks their entitlement balances until they return to work. All of your employees' leave requests and case details are securely stored in a centralized location. Leave Genius Pro saves you time and money and strengthens compliance.

Leave Genius Pro makes leave management simple and effective.

LOA + ADA Letters Suite & Workflows

Employers strive for a consistent and compliant Leave and ADA administration process, but how do you get there? We'll provide the foundation with our suite of letters, workflows, and ADA tracking tool for workplace accommodations that will guide you through the process.

FMLA & ADA Training for Managers

Managers are the front line for employees and frequently the reason companies are exposed to unnecessary litigation (and settlements). Deploy this ready-to-use online program to train your managers in their role in the absence and disability process.

Complimentary One-Year DMEC Membership

The Disability Management Employer Coalition (DMEC) is the industry standard for education on absence and disability. They offer conferences, online tools, and frequent webinars about maintaining legally compliant programs as well as strategies and materials on minimizing lost work time and improving workforce productivity. (Not available for current members.)

Subject Matter Expert (SME) Consulting

Take the opportunity to run both the mundane and challenging Leave and ADA scenarios by our team of experts who will ease the burden and serve as a sounding board for problem-solving. Take comfort knowing help is just a phone call away.

Regular Compliance Updates & Webinar Series

The leave and disability environments are changing at a whirlwind pace. Our regular compliance updates and quarterly newsletter will be a one-stop shop for the most significant case law developments, legislation, and regulatory changes.
